Work area clear of clutter:

Accessible items in your work area: Dictionary, ruler, sharp pencils, computer with at least Word Processing (let me know if you do not have one), access to internet/email is very beneficial – as requested, calculator, protractor, colored pencils (or may be brought from school), a tray for school notices/newsletter, Home Reading and agenda to be left for checking each night, a posted checklist of nightly school routines (ie; on a dry erase board)

Students will receive a homework agenda and a homework webpage/Moodle/email request notice in Sept. Please bookmark the webpage at that time.
