Package of white paper... to be collected by homeroom teacher
Gym Clothes
Indoor sneakers (non-marking soles)

Over the last few years, we have found it useful for students to have their own memory stick and agenda.

Students should also have a lock for their locker.

Students may be asked for additional items as these need to be replenished!

See you in September and don't forget your \$10.00 student fee.

Any donations of old magazines and shoeboxes would be appreciated!
