We also believe that celebrating students, their work and achievements can be an important part of school life and a very positive experience for students.

During the school year, the school/board may take media recordings that contain identifiable information of students as a part of curricular projects to promote various events of our school (including team sports), to showcase student work, or to recognize special student achievement. - Off-site regional educational fairs (Science, Heritage, Art) or displays
- Special award ceremonies

- Other (school/board to print description of other event here):

In such cases, the school/board must have written consent from the parent/legal guardian to publish the student's information, name or student work.

I have read the above and understand the implications. I also understand that media recordings on school/board websites are accessible to anyone who has access to the internet. As the parent/legal guardian, I consent to the following: (please check in appropriate boxes):
